MOTION FOR JUDGMENT OF ACQUITTAL

Now comes the defendant, at the close of ~~all of the evidence,~~ and asks this Court, pursuant to Rule 29 of the Federal Rules of Criminal Procedure, to enter a judgment of acquittal as to all five counts of the indictment.

In support of this motion the defendant states that the evidence introduced is insufficient to sustain a conviction as to any of the five counts of the indictment.

In addition the defendant requests that the Court enter a judgment of acquittal as to count 5 of the indictment.

In support of this request the defendant states that the allegations contained in count 5 of the indictment are duplicitous of the allegations contained in count 1 of the indictment.
